

2008 Spencer 66'

Previously used as a demo boat, this year-old Spencer features 4 staterooms, 3 Heads, Washer/dryer and dual CAT Generators. New C32A 1900hp engines have been installed and alongside the standard equipment it also includes some notable added extras such as a cockpit grill, granite countertops and a control for the A/V system. This boat is being sold as a "new" boat with a full Spencer Yachts warranty. Please contact us for any additional details.
